

REMAT Early Years Literacy Curriculum 2024-2025 (Intent)

Through our Literacy Curriculum, we aim to:

- provide a rich language environment
- grow the bank of vocabulary heard and used by children
- expose children to high quality literature
- develop a love of reading
- help children build a repertoire of familiar stories, rhymes and poems
- increase the amount of tier two vocabulary children are exposed to
- give children a wider range of experiences through stories
- promote diversity and exposure to the wider community

REMAT Early Years Literacy Curriculum

2024-2025 (Implementation)

The EYs literacy curriculum is a combination of favourite five texts, nursery rhymes, poetry time and talk through stories planning.

Nursery will use Talk Through Stories Story time planning for TTS focused weeks. When the focus is favourite five, one book should be focused upon for that week. This book should be a book that lends itself to a wide range of learning opportunities and follows the interests of the class.

In Nursery there is a focus on six new rhymes per half term - familiar ones are re-visited. In Reception children learn a new rhyme/poem each week and review familiar ones.

Nursery staff should plan enhancements and activities linked to the weekly focus. These can focus on communication and language, mark making etc.

Reception will use Talk Through Stories Story time and vocab time planning for TTS focused weeks. Favourite five books will be shared during story time across each half term. When the focus is favourite five, one book should be focused upon for that week.

Nursery and Reception staff will plan weekly mark making and writing opportunities.

All classes should ensure children have repeated exposure to Favourite Five texts each half term and their knowledge of these books is strong. These books can then be added to each half term, with the aim of children having 30 familiar texts by the end of each year. These books should be on display in the classroom, so children can access them in the reading area.

Basic Provision Books

Small World Books

Local area

Families

Vehicles

Pets

Linked to enhancements e.g. pirates,
fairies

Construction

Buildings

Vehicles

Role Play (Home area - in magazine rack)

Story books

Magazines

Snack Area (books that promote discussion)

'You Choose'

Maths books

Art Area

Books linked to artists
