

## REMAT Sport Premium Tracker 2024-2025

We feel very strongly that achieving in PE is very important.

We expect all children to wear the school PE kit and all of our staff who teach or support in PE lessons wear the school kit too.

### **Our PE Curriculum:**

A wide range of PE is delivered to the pupils, which aims to engage and inspire all pupils. We believe in embedding positive experiences of PE, PA and Sport, through providing opportunities to take part, play and compete in a range of activities, to enhance pupil understanding of and ability to lead prolonged active and healthy lifestyles. We are fully committed to ensuring that all pupils receive 2 hours of high-quality, well-planned PE per week, delivered by a PE specialist and supported by confident and well-trained staff. We have an up-to-date PE Scheme of work to reflect the requirements of the National Curriculum.

### **Sustainability:**

We aim to use this money to create a sustainable curriculum for all children. Some of the money provided by the funding will be invested in the professional development of staff and as a result will enhance the quality of teaching for all children. We invite different specialists into our school, who coach teachers and work alongside them in a range of sports. Due to their influence and expertise, all teachers will have the chance to develop their teaching of P.E. and will team teach with a specialist to increase knowledge, skills and confidence.

Partnership Work / Competitions: Our school contributes to XXXXX

As well as our regular PE lessons, we provide a range of sport and PA based competitions and activities, in the form of 'PE Team of the Week' awards, 'Craze of the Week' competitions and lunch time activities to enhance interest and engagement in sport and PA across the school. We also provide Annual sports-days for EYFS, KS1 and KS2.

**Participation:** The school is keen to provide a wide range of extra-curricular clubs for pupils. We have a number of sports teams that compete in local competitions against other schools, including Girls and Boys football, swimming, cricket, basketball and netball. Other after school clubs include KS1 & KS2 multisports, football, cricket, basketball, box fit, forest school and breakfast/after school clubs that include participation in PA. More Able: Talented children are signposted to local clubs e.g. athletics, football, cricket, basketball, swimming, gymnastics, hockey, golf and tennis. We also attend 'aspire' competitions aimed at engaging SEN pupils with sports and PA.

### Sports Premium Summary Costs:

The aims of our spending are to:

1. Develop fitness and well-being through the participation of high quality lessons.
2. Provide opportunities for pupils through after school sports clubs.
3. Develop sporting excellence by providing targeted extra-curricular clubs.
4. Develop sporting excellence through a range of activities to enable children to compete.

This table is to document any money that is spent using the Sports Premium fund. Please track what this money is being used for by tracking the cost and the impact on the pupils in your school.

Your school receives: £19,980

Area	Product/Service	Cost	Impact (Please include any quantitative data to support the impact)	Sustainability for the future
