MATHS NO PROBLEM

At Townfield Primary, we follow the Maths – No Problem! scheme, which helps children build strong understanding, confidence, and resilience in maths. We encourage pupils to become independent problem-solvers who are fluent in arithmetic and unafraid to make mistakes as part of their learning. We also promote a love of maths through Times Tables Rock Stars, supporting quick recall of key facts in a fun way. This year, we've launched the Townfield Premier League, where classes compete weekly in Times Tables Rock Stars battles—bringing lots of excitement and friendly competition across the school!

HELLO FROM MRS MATHIESON

Hi everyone! My name is Mrs Mathieson and I am currently a Year 4 teacher, although I've had the wonderful opportunity to teach across all year groups from Years 2 to 6 during my 26 years at Townfield. It's a real privilege to now be teaching the children of some of the pupils I taught many years ago - though it does occasionally make me wonder where the years have gone! Alongside my teaching role, I lead Art across our school, keeping a close eye on the effectiveness of our curriculum and supporting our fantastic staff to deliver our knowledge-rich programme with confidence. I am also the Trust Subject Leader for Art across all the schools in our Rainbow family. This means I work closely with all ten schools to ensure every child enjoys a rich, inspiring art experience throughout their primary years.

Life at home is just as busy as school, as I continue to keep my own grown-up children focused on their educational journeys. Isaac is in his first year at university studying International Business, and Thea graduated last year and is now working hard on her Master's at the University of Liverpool. And despite being adults, they still keep me on my toes - proof that a teacher's job is never really done!
