FRIDAY 27TH FEBRUARY

MESSAGE FROM MRS DURHAM

I am delighted to share some exciting updates regarding our school grounds! You may have noticed some vibrant new additions to our Upper Playground. We have officially had professional markings installed for basketball, netball, and hockey pitches.

These markings are a fantastic investment in our PE curriculum, allowing our pupils to develop their skills on high-quality surfaces. Beyond lesson time, they will transform our lunchtimes, giving children clear spaces to play team sports and stay active with their friends.

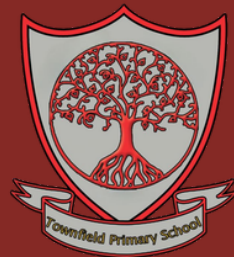

The Final Piece of the Puzzle:

To make the most of these new pitches, our next goal is to purchase four professional-grade basketball and netball hoops. We are choosing high-quality, ground-fixed posts to ensure they are safe, secure, and built to last.

As you can imagine, these are quite an investment. We raised a wonderful £378.00 from our Chinese New Year celebrations, but we still have a way to go to reach our target for all four posts. We have plenty of fundraising ideas on the way to help us get there!

MESSAGE FROM MRS DURHAM

Community Cuppa at Townfield Shops

Next Tuesday, 3rd March | 1.00pm – 3.00pm

We are taking the school out into the heart of our neighbourhood! Please join Gina Donaldson (Trust CEO), myself, and even our life-size Rainbow Bear at the local shops. We want to hear your hopes and wishes for the future of our community.

Come along for a drink and a chat while enjoying our student performers:

- 1.40pm: The School Choir
- 2.10pm: Class 3R
- 2.30pm: Class 4M

World Book Day: Thursday 5th March

We are looking forward to seeing **everyone's costumes** next week! Children can dress as a favourite story character or come in **pyjamas** (a popular request from our student "Wish Box").

- **If wearing pyjamas:** Please ensure children have a cosy dressing gown or onesie and sensible shoes (no slippers, please).
- **The Great Book Swap:** If possible, please bring in a pre-loved book to swap with a friend.
- **Golden Ticket Giveaway:** Make sure you choose a school dinner on the day! We have hidden Golden Tickets under random trays—if you find one, you win a £5.00 book voucher!

World Book Day Celebration!

Date: Thursday, 5th March

We are so excited to celebrate World Book Day! Here is everything you need to know about our upcoming activities:

Dress Up & Parade

We are asking children and staff to come dressed as a character from their favourite book. We would also love for them to bring the book that inspired their costume to share with the class! **Costume Parade:** We will host a fun parade in the playground to show off everyone's amazing outfits.

Keep it Simple: Please do not feel the need to go out and spend a fortune on costumes!

Homemade or simple outfits are wonderful.

Pyjama Option: If children feel more comfortable, they are absolutely welcome to wear their pyjamas for a cosy day of reading. Children must wear trainers with pyjamas not slippers.

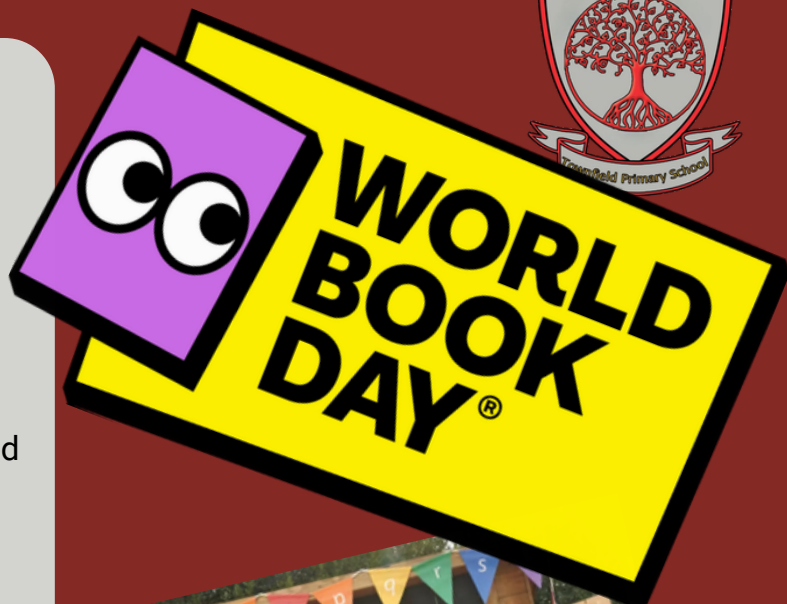

Book Swap

There will be a special opportunity on the day for children to bring in a preloved book to swap with their friends. This is a great way to share stories and discover new favourites!

Fundraising: The Reading Shed

We are raising money to build a permanent reading shed swap shop in the playground. Once built, children will be able to bring books they have already read and swap them for new adventures straight from the shed.

Donation: We are kindly asking for a £1 donation to help us achieve this goal and make the reading shed a reality. Payment can be made by cash or card at the main office or alternatively scan the QR codes around school.

World Book Day 2026 Menu

Mains

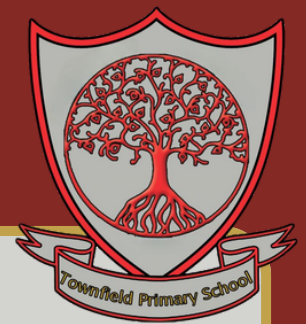

Golden Nuggets and fries
(Chicken or Veggie)
served with Sweetcorn

Desserts

Charlies Chocolate cookies

School gates open at: 8:30 AM

Registers close at: 8:50 AM

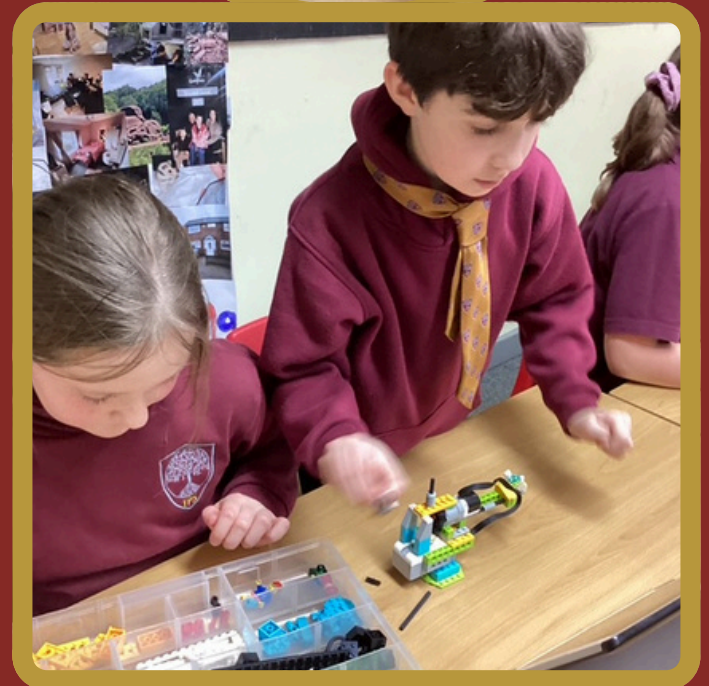

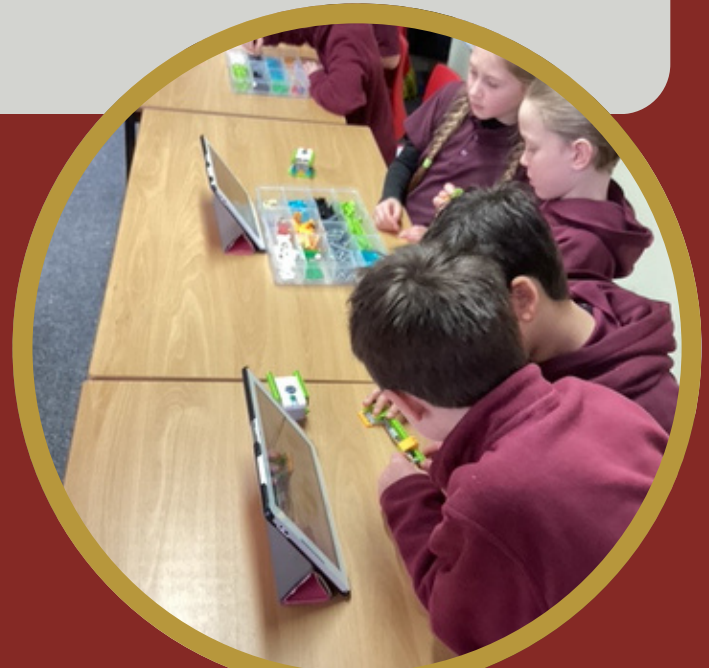

All children with 100% attendance this term will be entered into a special raffle to win some fantastic prizes!

TOWNFIELD NEWS

YEAR 4 JUNIORSTEM

The children worked in pairs to build a helicopter using LEGO. They carefully followed step-by-step instructions to attach each part correctly, working collaboratively to create their finished helicopter. Once they had completed the main build, they had the opportunity to customise their helicopters by adding extra pieces, colourful lights, and sound features to make them unique and creative. The children thoroughly enjoyed the activity, and it greatly enhanced their understanding of their computing unit. They applied a range of engineering skills throughout the task, including problem-solving, teamwork, and careful construction. Overall, the sessions were engaging, educational, and highly enjoyable for all.

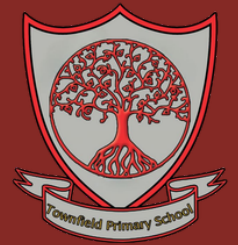

TOWNFIELD NEWS

YEAR 4 JUNIORSTEM

Blast off! 4JB had an out-of-this-world experience this week, participating in a captivating Junior STEM "Space Weather" session via Zoom. Guided by a professional space weather scientist, our young explorers went beyond the atmosphere to study the sun's impact on our planet. To end the event, the classroom turned into a design studio as students channeled their inner scientists and artists to create vibrant space weather posters. It was a fantastic afternoon of hands-on learning!

YEAR 2 PAWS-ITIVELY IMPACTING THE RSPCA!

Year 2 are on a mission to support the RSPCA by collecting essential supplies for animals currently in rescue centres. We are focusing our efforts on items that provide direct comfort and care to our furry friends.

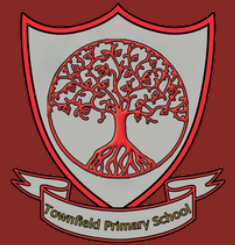

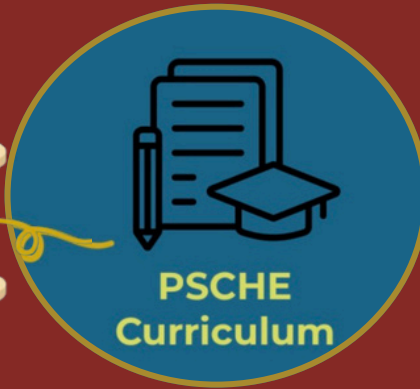

If any families in **Year 2** have any of the following items to spare, please give them to your Year 2 class teacher:

- **Unopened Pet Food (including treats)**
- **Clean toys in good condition**
- **Towels & Blankets**

Please bring all donations by
Friday, 7th March 2026.

Thank you to those who have already donated items to support this wonderful charity that helps animals in need.

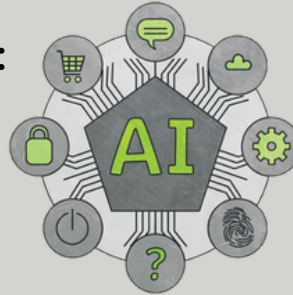

PERSONAL DEVELOPMENT

Awareness day highlights:

- Internet Safety Week
- World mental health week

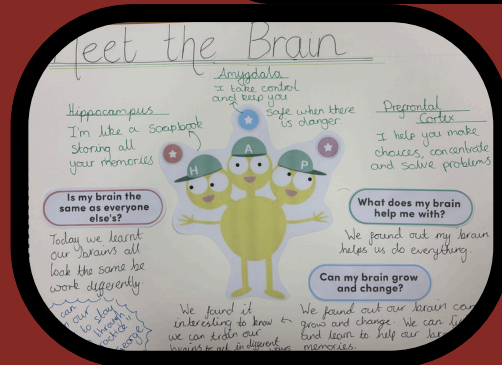

We have been reflecting on their mental health and wellbeing while exploring what it truly means to belong.

ASK ME ABOUT...

Try asking me about 'My Happy Mind'

- What is the role of the Amygdala?
- What are the roles of the Hippocampus and the Prefrontal Cortex?
- What happens to the brain when you feel worried or scared?

HELLO FROM MRS STOUT

Hi everyone, my name is Nichola Stout and I am the Trust Safeguarding Lead. I have been based here at school recently, working closely with the team to ensure that our environment is as safe and welcoming as possible for everyone. It has been a pleasure getting to know the school community and I look forward to getting to know you all better!

If you ever feel like you need a bit of extra help, whether that's navigating housing issues, seeking family support or finding the right specialist services for you and your family please don't hesitate to reach out. Think of me as a friendly point of contact to help signpost you to the right resources whenever you need it.

MOTHER'S DAY RAFFLE

We are now selling tickets for our Mothers Day Raffle tickets are £1.00 a strip and we have 3 prizes.

TOWNFIELD NEWS

This week, our Golden Tie winners have been chosen for displaying one or more of our core school values.

We are incredibly proud of all the students who have shown:

Excellence: Having the highest expectations of ourselves and others.

Wisdom: Always being eager to learn.

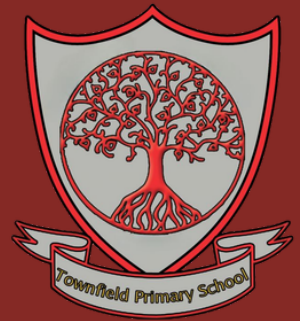

Friendship and Trust: Being kind and honest.

Endurance: Keeping going even when things are tough.

A huge congratulations to all our winners! We are so proud of your hard work and dedication this week.

SEND Newsletter

SPRING 2 EDITION

ADHD / PDA

ADHD (Attention Deficit Hyperactivity Disorder) is a condition that affects attention, activity levels and impulse control, making it harder for some children to focus or follow instructions.

PDA (Pathological Demand Avoidance) is a profile within the autism spectrum. It involves high levels of anxiety around everyday demands, which can lead to avoidance when tasks feel overwhelming.

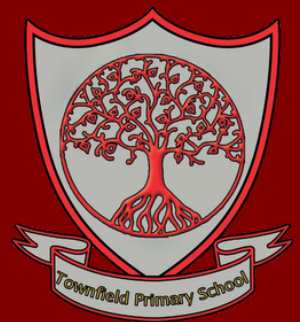

More Advice...

- **Wirral Local Offer Website**
The Wirral Local Offer sites list services, groups and information for SEND families across health, education and community support.
- **ADHD WISE UK**
To help you understand the 'why' behind ADHD behaviours, turning that insight into a constructive path forward. Supporting ages 6 through to adulthood. We empower the whole circle—families and professionals included—to thrive together.
- **The Positivitree**
<https://thepositivitree.com/parents/#contact>
A local support and advice for parents, support groups and training opportunities to help with a variety of SEND needs.
- **Witherslack Group:**
<https://www.witherslackgroup.co.uk/advice-and-support/adhd/>
Support and advice for parents, guidance documents and podcasts to support families and carers for a variety of SEND needs.

Top Tips

- Keep routines predictable – clear, consistent routines help children feel safe and reduce anxiety.
- Give simple instructions – break tasks into small steps and give one instruction at a time.
- Offer choices – where possible, give two options (e.g. "Do you want to start with homework or reading?") to reduce pressure.
- Reduce demands during difficult moments – when emotions are high, focus on connection first and return to expectations later.
- Use calm, neutral language – a calm adult helps a child regulate their emotions.
- Build in movement breaks – regular physical activity can help children with ADHD release energy and refocus.
- Praise effort, not just outcomes – noticing small successes builds confidence and motivation.
- Prepare for change – talk through changes in advance and use visual supports if helpful.
- Create a quiet space – a calm area can help children regulate when they feel overwhelmed.
- Remember behaviour is communication – children may show stress or anxiety through their actions, not their words.
