Wednesday, 14th April 2021

Dear Parents/Carers,

Parents' Evening - Class 2H

As we still have COVID restrictions to follow, we have looked at ways in which we can meet with you in person. We will be having parent/teacher meetings via School Cloud, which is an online platform. Unfortunately, Mr Hughes is absent from school, so he is not available to meet with you.

However, Miss Hooton, who has been with the class for a short amount of time will provide some information in the form of a report card. In this report card, you will be given information on how well your child returned to school and how they engaged throughout lockdown. We will also discuss how we will be supporting your child over this next term.

We apologise that this will not be a face to face meeting, but if you have any concerns regarding your child, please email school and I will direct your query to the correct member of staff.

Kind regards,

Mrs Moira Loftus
Headteacher

Responsible Respectful Resilient
