

Rainbow Education Multi Academy Trust

Policy number: 01

Mission Statement

The Rainbow Education Multi Academy Trust aims to serve its community by providing education of the highest quality. We will endeavour to support families to ensure that each and every child achieves their very best, aiming to develop all pupils into well-rounded citizens of the future.

We believe that education is about learners experiencing the joy of discovery, solving problems and being creative, understanding that achievement will result from learners being excited and engaged. Education will therefore be the fusion of excellence and enjoyment.

English and Maths will be the backbone of our pupils' success in learning. We will build on our strengths to serve the needs of our children, using the skills of everyone in the school. We will drive our own improvement, setting challenging targets and recognising that, for the sake of our learners, we can always do better.

We will provide activities outside school hours to extend and enrich learning.

The Rainbow Education Multi Academy Trust will be a bright, welcoming and friendly place, where children feel happy and secure. Success will be promoted, and progress and achievement will be rewarded.
