

Dear Parents and Guardians,

We will be visiting Townfield Primary School on Wednesday 23rd November when we will be photographing individual and family portraits.

We would like to take this opportunity to highlight some of the main features of our service

- Each child will receive an online access QR code card with a personal UID showing a list of product options available to order.
- Parents will then be able to view and order images online from our secure web site, or place their order online or by telephone with one of our team.
- Completed orders made before the ordering deadline can be delivered back to school free of charge or direct to home for 99p, late orders will incur an extra charge.
- **Individual downloads are available online.**
- **If you have ordered from us before your access codes will be sent directly to your account**
- **PACKBUILDER;** This is a feature on our web site whereby parents are able to associate images of their children together to enable mixed image packs to be ordered. This is a great money saving feature.
- Parents who require duplicate proof cards can contact our office.

If you have any questions or requests our friendly admin team will be happy to assist you, just call 01773 717 984 or e-mail mail@jssp.co.uk plus you can connect with us via Twitter www.twitter.com/@jsspschools or Facebook www.facebook.com/schoolphoto for latest offers and customer service. Please note that social media channels are not constantly monitored.

To help us take the best photo of your child, please ensure that they are wearing correct uniform.

We hope you will enjoy your photos!

Best regards

JSSP Team
